

**Hayward Propane is excited to offer you a Pre-Buy option for the 2020-21 heating season!**

The Pre-Buy program is designed to protect you against rising prices and ensures you will have fixed heating costs for the upcoming heating season. You are only locked in for the number of gallons that you have contracted (below). All Pre-buy contracts require a minimum of 400 gallons and MUST be on a **\*Scheduled Delivery**. If you do not use all of your pre-buy gallons, a credit will remain on your account and will be applied to future purchases. The price quoted is subject to change.

**\*We use a calculation based on your usage history and heating degree days to project the date of your next fill and will automatically fill your tank for the duration of this contract.**
